SUBJECT Potable Well Sampling near Lakewood Landfill

● well #2

On October 17, 1985 this writer sampled a private well adjacent to Lakewood Landfill belonging to Mr. Vince Vitollo, owner and operator of Weed Hopper Flight Center and Dealer Company. The well was drilled approximately one month before by Kaye Well Drillers Inc. At the time of sampling, well logs had not yet been filed by the well driller for this well. Mr. Vitollo stated that the well was 55 feet deep and did not have a filter. The well is located approximately 300 feet from Whitesville Road on a parallel line with and approximately 50 feet from the railroad tracks.
